The Education of Children with Acquired Brain Injury Sue Walker, Beth Wicks

Teachers have to be aware of their pupils' special educational needs. Find out what an acquired brain injury is and how to maximize learning opportunities for those with the condition with this book. The book should help you to: support pupils with an ABI by using appropriate teaching methods; be alert to the social and emotional difficulties experienced by pupils with an ABI; work in partnership with families and other professionals following helpful guidelines; and access all the information you need with a glossary of terms and a list of resources and organizations.
