The Lousy Adult (Johns Hopkins: Poetry and Fiction)

William J. Cobb

The Lousy Adult (Johns Hopkins: Poetry and Fiction) William J. Cobb

In *The Lousy Adult*, William J. Cobb reveals a world where love and respect collide with achievement and desire, a world where people often get what they want, yet must pay the price of alienation, remorse, and retribution in order to obtain it.

In "The Sea Horse," a teenage boy defends a battered woman against her abusive husband while he deals with the loss of his own parents. In "Warsaw, 1984," a young man travels through Europe and ends up in a relationship in a country he can't understand. *The Lousy Adult* presents ten short stories about defrocked priests, guilty electricians, hardened mothers, and other colorful characters who portray the complexity of the human race.

Praise for William J. Cobb's *The Fire Eaters*

"Cobb's short stories, printed in the *New Yorker* and other magazines, hinted at the power he displays in this beautifully controlled and convincing debut, winner of the 1992 Associated Writing Programs award for the novel." — *Publisher's Weekly*
