Deliver Me From Evil: A Sadistic Foster Mother, A Childhood Torn Apart Alloma Gilbert, Corinne Sweet

Evan Waller is a monster. He has built a fortune from his willingness to buy and sell anything . . . and anyone. In search of new opportunities, Waller has just begun a new business venture: one that could lead to millions of deaths all over the globe.

On Waller's trail is Shaw, the mysterious operative from *The Whole Truth*, who must prevent Waller from closing his latest deal. Shaw's one chance to bring him down will come in the most unlikely of places: a serene, bucolic village in Provence.

But Waller's depravity and ruthlessness go deeper than Shaw knows. And now, there is someone else pursuing Waller in Provence -Reggie Campion, an agent for a secret vigilante group headquartered in a musty old English estate- and she has an agenda of her own.

Hunting the same man and unaware of each other's mission, Shaw and Reggie will be caught in a deadly duel of nerve and wits. *Deliver Us From Evil* is Hitchcockian in its intimate buildup of suspense and filled with the remarkable characters, breathtaking plot turns, and blockbuster finale that are David Baldacci's hallmarks.
