Despertar a la Naturaleza Intrínseca: Manifiesta la sabiduría de la mente pura (Spanish Edition)

Venerable Master Miao Tsan

En el cuarto libro de la serie de estudios contemporáneos Zen, *Despertar a la Naturaleza Intrínseca*, el Venerable Maestro Miao Tsan del Monasterio Zen Vairocana explora la manera de las cuales muchas religiones occidenatales y orientales comparten principios comunes, muy a pesar de las distintas formas de las cuales expanden sus enseñanzas. *Despertar a la Naturaleza Intrínseca* provee una perspectiva importante en las similitudes hacia la búsqueda de la eternidad oriental y occidental, la felicidad, y la habilidad de entender el significado de la vida. Muy por debajo de sus diferencias religiosas, lingüísticas, y culturales radica un valor fundamental compartido. Las diferencias superficiales ha tenido a personas pensantes perplejas por muchos siglos y ha dejado a muchas personas de la vida moderna con el conflicto de cual religión o ideología merecen su lealtad. Es imposible para muchos de nosotros asimilar los diferentes aspectos de otra cultura sin crear inadvertidamente una tercera cultura, el Venerable Maestro Miao Tsan les enseña a los lectores un camino claro para entender el aspecto más importante de cualquier enseñanza: en la fuente de cualquier religión o ideología radica la única Verdad Universal.
