Eat! Best of Restaurant Design Braun

There appears to be no lack of design suggestions to realize the myriad of desires and ideas that go into the designing of home interiors. Designers are challenged to find convincing solutions for living areas in houses, apartments and lofts. While the functional demands are relatively flexible and rather unrestricted, the creative potential seems almost limitless. The projects selected for Home! testify to the sheer variety of inspirational design possibilities for contemporary living spaces. This illustrated volume is a celebration and homage to the home as the focal point of the private sphere at a time when our privacy is increasingly public.
