Kernel Panik - Sound Against System (Black pop) (Italian Edition) Alessandro Cola
"Kernel Panik. Sound Against System" è un raro reportage scritto da Alessandro Cola aka Kola, uno dei co-fondatori della celebre crew omonima, nonché fondatore della non più attiva crew di Fakir-Show&Suspension "Freak's Bloody Tricks" e del gruppo di psiconauti/sperimentatori "P3" con il quale è conosciuto come "Godfather"."Kernel Panik. Sound Against System" racconta della crew omonima nata a Roma, dopo l'arrivo degli Spiral Tribe, precursori della scena techno traveller e primi a esportare fuori dall'Inghilterra il loro sound system e il loro stile di vita, che ha creato una vera e propria scena techno alternativa cambiando l'attitudine e il modo di fare i party."Kernel Panik. Sound Against System" descrive i viaggi in Europa e in America, i percorsi e le difficoltà, le lotte contro le forze dell'ordine per le occupazioni e non solo, le feste illegali, la vita da camion e sound system, le droghe, i pride, il vegetarianismo. "Kernel Panik. Sound Against System" parla di un mondo sconosciuto a chi non l'ha vissuto, non una semplice crew festaiola ma una filosofia di vita, musicale, creativa, nomade, libera.

From reader reviews:

Nancy Smith:

Information is provisions for those to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is in the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take Kernel Panik - Sound Against System (Black pop) (Italian Edition) as the daily resource information.

Donna Lacher:

Reading a publication can be one of a lot of activity that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new data. When you read a book you will get new information due to the fact book is one of a number of ways to share the information as well as their idea. Second, reading a book will make you more imaginative. When you looking at a book especially fictional book the author will bring someone to imagine the story how the figures do it anything. Third, you are able to share your knowledge to some others. When you read this Kernel Panik - Sound Against System (Black pop) (Italian Edition), you could tells your family, friends and soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a e-book.

Paul Birch:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try factor that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Kernel Panik - Sound Against System (Black pop) (Italian Edition), you can enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't understand it, oh come on its known as reading friends.

Mary Fix:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Kernel Panik - Sound Against System (Black pop) (Italian Edition) can make you

sense more interested to read.
