Author Dianne Marshall presents compelling ideas that push past the media bias, unveiling the laws set forth in Presidential Executive Orders, Presidential Directives, congress, and other government documents written over the years. She urges the all-American family to be aware of the Sly Foxes, Wolves, and Men among the country's leaders--those people that are only out to accomplish their own agenda. She warns of naivety and sets forth a challenge to dig deeper into the meaning of current affairs. No matter where your political affiliations lie, you'll get the information you need to decide from this book!
