## Space Ape Gangbang: Monsters Made Me Gay Hank Wilder

The first astronauts were not men but monkeys, fired off into space and then left for dead as their vessels continued on and on into the great unknown. But what would happen if, 60 years later, one of those ships came back?

Mission Commander Aiden Rosen is assigned with the incredible task of investigating one such returning ship, but when he climbs aboard it becomes very clear that the vessel has been gone longer than anyone expected, and that the occupants have grown up quite a bit.

Aiden has suddenly found himself at the juicy center of a gay space ape gangbang.

This is a hardcore gay gangbang story featuring anal, double anal, straight to gay turning, monster sex, rough sex, weightless bukkake, and gay space apes.
