We Get Confessions Albert Joseph

This book embodies the highly-effective strategies and techniques as taught in the BowMac "Basic Interview and Interrogation" course utilizing the vast experience and position of its author, Albert Joseph. Al serves as one of the lead instructors for BowMac and brings his commitment and "real world" philosophy to life in the classroom and in this book. It is extremely satisfying to see 15 years of personal commitment to this program take on a lasting life form beyond the short-lived interaction we have with the thousands of officers who have taken the course.
