Walter J. Boyne, Philip Handleman

Brassey's Air Combat Reader: Historic Feats and Aviation Legends (History of War) Walter J. Boyne, Philip Handleman

Showcasing the twentieth century's best writing on the topic of air combat from World War I through the Gulf War, Brassey's Air Combat Reader examines the evolution of air combat strategy and tactics. It includes extracts from memoirs by such legends as Antoine de Saint-Exupéry, hair-raising third-person accounts by such great pilots as Douglas Bader and by such heroic leaders as Pete Mitscher, and one compelling work of fiction by best-selling novelist Walter Boyne. Classic writings on the art and science of air warfare by visionaries Billy Mitchell, Giulio Douhet, and others trace the evolution of military aviation. Philip Handleman concludes with an insightful chapter about the future of air warfare.
