Alatorre Antonio

Fiori di Sonetty (Estudios Linguisticos Y Literarios) (Spanish Edition) Alatorre Antonio

Antonio Alatorre da en este libro testimonio de su amor por la literatura española del Siglo de Oro, una época de la lengua en que comenzó a ensayarse una nueva forma de expresión poética originada en Italia, el soneto, que había conocido su cumbre en la obra de Francesco Petrarca. Dice Alatorre de su libro: "Hay muchas antologías de poesías del Siglo de Oro. La mía es muy modesta, pues se limita a recoger una docena de sonetos. Pero añade como lujo y como aliciente, los textos italianos de donde proceden. No es desdeñable la oportunidad de calibrar el méter del traductor: ver cuándo el poeta español consigue mantenerlos consonantes del original, cuándo se aparta de él, rebajando a veces la expresión, metiendo a veces rellenos o rípios, sustituyendo a veces unas imágenes hermosas por otras igualmente hermosas, etc., tarea que se hace más interesante cuando pueden confrontarse aciertos y fallas de diversas traducciones. Pero, sobre todo, la lectura del original italiano suele aumentar los quilates de la traducción/ adaptación."
