## **Freshwater Boys: Stories** Adam Schuitema

“Travel brochures, postcards, and license plates from decades past touted Michigan as ‘The Water Winter Wonderland!’ And in Adam Schuitema’s stories, it is just that: a wonderland where men and boys collide with sand and snow, flora and fauna; where nature is not only somewhere to explore, but a place to hide. In his Michigan, deer frolic through urban areas, old men pilfer sand dunes, and the woods are the best place to hide your *Playboys*. From childhood to adulthood, these guys struggle to do the right thing—searching the woods, gazing out at the lake, sifting the ashen sands—for a clue as to how to become the men they need to be. Schuitema’s *Freshwater Boys* is the literary equivalent of an early spring leap into the still icy waters of the bay: shocking, refreshing, cleansing. The best way to rouse a spirit drowsy from an endless, arduous winter.” —Michael Zadoorian, *The Leisure Seeker* and *The Lost Tiki Palaces of Detroit*
