**Geography Club (The Russel Middlebrook Series Book 1)** Brent Hartinger

Book 1 in the Russel Middlebrook Series.

Now a feature film starring Scott Bakula and Nikki Blonsky! The first book in the Russel Middlebrook Series.

Russel Middlebrook is convinced he's the only gay kid at Robert L. Goodkind High School. Then his online gay-chat buddy turns out to be none other than Kevin, the popular but closeted star of the school's baseball team. Soon Russel meets other gay students too. There's his best friend, Min, who reveals she's bisexual; Min's soccer-playing girlfriend, Terese; and Terese's politically active friend, Ike.

But how can kids this diverse get together without drawing attention to themselves?

"We just choose a club that's so boring nobody in their right mind would ever in a million years join it. We could call in the Geography Club!"

*Geography Club* for anyone, gay or straight, who's ever felt like an outsider -- a fast-paced and funny tale of teenagers who may not learn any actual geography in their latest club, but who discover plenty about the treacherous social terrain of high school, and the even more dangerous landscape of the human heart.
