Good People

David Lindsay-Abaire

Good People David Lindsay-Abaire

"A lyrical and understanding chronicler of people who somehow become displaced within their own lives. . . . Mr. Lindsay-Abaire has shown a special affinity for female characters suddenly forced to re-evaluate the roles by which they define themselves."—*The New York Times*

With his latest play *Good People*, David Lindsay-Abaire returns to Manhattan Theatre Club where four of his previous works were produced, including his 2007 Pulitzer Prize-winning *Rabbit Hole*. The play premiered there in winter 2011 in a production directed by Daniel Sullivan (who also directed *Rabbit Hole*), and featuring Frances McDormand in the role of protagonist Margie Walsh. *Good People* is set in South Boston, the blue-collar neighborhood where Lindsay-Abaire himself grew up: Margie Walsh, let go from yet another job and facing eviction, decides to appeal to an old flame who has made good and left his Southie past behind. Lindsay-Abaire offers us both his "quiet three-dimensional depth" (*Los Angeles Times*) and his carefully observed humor in this exploration of life in America when you're on your last dollar.

David Lindsay-Abaire is the author of *Fuddy Meers*, *Kimberly Akimbo*, *A Devil Inside*, *Wonder of the World*, and *Rabbit Hole*, in addition to the book for the musicals *High Fidelity* and *Shrek*. His plays have been produced throughout the United States and around the world.
