## Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics)

This book covers a wide range of topics within mathematical modelling and the optimization of economic, demographic, technological and environmental phenomena. Each chapter is written by experts in their field and represents new advances in modelling theory and practice. These essays are exemplary of the fruitful interaction between theory and practice when exploring global and local changes.

The unifying theme of the book is the use of mathematical models and optimization methods to describe age-structured populations in economy, demography, technological change, and the environment. Emphasis is placed on deterministic dynamic models that take age or size structures, delay effects, and non-standard decision variables into account. In addition, the contributions deal with the age structure of assets, resources, and populations under study. Interdisciplinary modelling has enormous potential for discovering new insights in global and regional development.

*Optimal Control of Age-structured Populations in Economy, Demography, and the Environment* is a rich and excellent source of information on state-of-the-art modelling expertise and references. The book provides the necessary mathematical background for readers from different areas, such as applied sciences, management sciences and operations research, which helps guide the development of practical models. As well as this the book also surveys the current practice in applied modelling and looks at new research areas for a general mathematical audience. This book will be of interest primarily to researchers, postgraduate students, as well as a wider scientific community, including those focussing on the subjects of applied mathematics, environmental sciences, economics, demography, management, and operations research.

### **From reader reviews:**

#### **Joseph Bolden:**

Often the book Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics) will bring someone to the new experience of reading a new book. The author style to describe the idea is very unique. If you try to find new book to learn, this book very suitable to you. The book Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics) is much recommended to you to see. You can also get the e-book from the official web site, so you can easier to read the book.

#### **Catherine Taylor:**

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that usually you have done when you have spare time, after that why you don't try thing that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics), you can enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh can occur its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.

#### **David Reed:**

A lot of publication has printed but it is unique. You can get it by online on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever by searching from it. It is known as of book Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics). You can contribute your knowledge by it. Without making the printed book, it can add your knowledge and make you actually happier to read. It is most critical that, you must aware about e-book. It can bring you from one destination for a other place.

#### **Heather Stewart:**

Many people said that they feel fed up when they reading a e-book. They are directly felt the idea when they get a half areas of the book. You can choose the actual book Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics) to make your reading is interesting. Your current skill of reading proficiency is developing when you like reading. Try to choose very simple book to make you enjoy you just read it and mingle the impression about book and examining especially. It is to be initially opinion for you to like to available a book and examine it. Beside that the reserve Optimal Control of Age-structured Populations in Economy, Demography, and the Environment (Routledge Explorations in Environmental Economics) can to be your brand-new friend when you're experience alone and confuse in what must you're doing of this time.
