Puesta en escena (Spanish Edition)

Enrique Planas

Puesta en escena (Spanish Edition) Enrique Planas

Toda la noche encerrada en su habitación, Lucía se contempla en el espejo y desarrolla un angustioso y revelador monólogo. Ella es bailarina de danza contemporánea, enferma de bulimia. Eso hace que la imagen que observa sea muy distinta a la real. La mirada hacia si misma es violenta, dura, incandescente. Su relación con un famoso y abusivo coreógrafo, junto con la ambigua relación con su compañera de departamento sientan las bases para desgarradas pasiones, una escondida competencia y el proceso creativo de un próximo espectáculo que impone sus sádicas reglas de juego. Danza moderna, juegos cinematográficos, referencias familiares, dibujos animados y, en el fondo, el cuerpo de Lucía como doloroso lastre. Puesta en escena fue publicada por Alfaguara en 2002. PLibros ofrece ahora su primera edición digital.
