Turn Here Sweet Corn Atina Diffley

A master class in organic farming, a lesson in entrepreneurship, a love story, and a legal thriller

In telling her story of working the land, Atina Diffley reminds us that we live in relationships—with the earth, plants and animals, families and communities. A memoir of making these essential relationships work in the face of challenges from weather to corporate politics, this is a firsthand history of getting in at the “ground level” of organic farming.
