We are all familiar with our sun signs, but this book focuses on the new astrology and, in particular, the fascinating study of the moon's north nodes that, when used in conjunction with your sun signs, can provide a detailed picture of your soul's true path, your spiritual quest in life. This handy dip-in, dip-out book features in detail each of the moon's north nodes, or soul signs, which are the gateway to divine inspiration and show where in your life you can move along most easily and, ultimately, how to feel fulfilled. Each north node is explained in great detail and has a list of approaches, talents, interests, challenges, and potential pitfalls as well as an affirmation to help you focus on your own special attributes. You will also be able to discover your most successful career paths and the most rewarding activities and approach to life you can take based on your unique astrological makeup.
