Even struggling readers will find it hard to resist our exciting series of novels in a variety of popular genres. These stories deal with mature themes involving culturally diverse characters. Written specifically for the struggling reader, these fast-paced books maintain student interest until the last page. Questions at the end of each title test students' strategy skills, vocabulary, and comprehension. The rebels on campus oppose more rules and regulations, but the computer system at Mayfair College is under attack. Is the hacker a mischief-maker or a dangerous criminal? Luckily, Jim Salvatori's past makes him the perfect cybercop- and especially qualified to answer that question.
