Come vuoi morire? (Castelvechi RX) (Italian Edition) Susan Dabbous

Questo libro è il diario di una prigionia, ma anche un inno al coraggio di un popolo, quello siriano, che non ha mai smesso di sperare nonostante l'orrore che gli si consuma intorno. Il 3 aprile del 2013 Susan Dabbous, giornalista di origini siriane, è stata rapita in Siria insieme ad altri tre reporter italiani. A sequestrarli, a Ghassanieh, un villaggio cristiano, è stato Jabhat al-Nusra, un gruppo legato ad al-Qaeda. Sono stati arrestati davanti a una chiesa sconsacrata, dove stavano filmando un documentario per la Rai. Portata inizialmente in una casa prigione, Dabbous è stata poi separata dai suoi colleghi e trasferita in un appartamento con una donna, Miriam, moglie di uno jihadista. È stata la nuova carceriera a occuparsi della "islamizzazione" di Susan. Con lei l'autrice ha pregato e ascoltato i discorsi di Osama bin Laden. Ed è sempre con lei che ha dovuto riflettere su una domanda che in quei giorni di cattività le è stata rivolta: "Qual è la tua morte preferita?". Un quesito cui Dabbous ha tentato di rispondere con sincerità, "perché quando sei un ostaggio non dici bugie. Così ho parlato da donna a donna con quel linguaggio assolutamente universale fatto principalmente di emozioni". La liberazione è arrivata dopo undici giorni, a seguito di un accordo concluso dai servizi segreti italiani. Dopo un breve periodo in Italia, Susan è partita di nuovo per il Libano, dove viveva da oltre un anno, e lì ha scoperto che un suo amico nel villaggio di Atme, in Siria, era stato torturato solo per avere informazioni su di lei.

From reader reviews:

Deborah Green:

Book is to be different per grade. Book for children until finally adult are different content. We all know that that book is very important for us. The book *Come vuoi morire? (Castelvecchi RX) (Italian Edition)* had been making you to know about other understanding and of course you can take more information. It is quite advantages for you. The publication *Come vuoi morire? (Castelvecchi RX) (Italian Edition)* is not only giving you considerably more new information but also to become your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship using the book *Come vuoi morire? (Castelvecchi RX) (Italian Edition)*. You never really feel lose out for everything if you read some books.

Mora Miller:

Now a day individuals who Living in the era where everything reachable by talk with the internet and the resources included can be true or not call for people to be aware of each facts they get. How individuals to be smart in having any information nowadays? Of course the answer then is reading a book. Reading through a book can help individuals out of this uncertainty Information specifically this *Come vuoi morire? (Castelvecchi RX) (Italian Edition)* book since this book offers you rich info and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it you know.

Jacob Keys:

Playing with family in the park, coming to see the coastal world or hanging out with friends is thing that usually you could have done when you have spare time, after that why you don't try thing that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love *Come vuoi morire? (Castelvecchi RX) (Italian Edition)*, you may enjoy both. It is good combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Mary Kasten:

Your reading 6th sense will not betray you actually, why because this *Come vuoi morire? (Castelvecchi RX) (Italian Edition)* e-book written by well-known writer whose to say well how to make book which can be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your own personal hunger then you still uncertainty *Come vuoi morire? (Castelvecchi RX) (Italian Edition)* as good book but not only by the cover but also with the content. This is one book that can break don't assess book by its include, so do you still needing an additional sixth sense to pick that!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.
