A kiss is just the beginning...

Pinterest Perfect. Or so Annie Carson's life appears on her popular blog. Reality is ... messier. Especially when it lands her back in one-cow town Brightwater, California, and back in the path of the gorgeous six-foot-four reason she left. Sawyer Kane may fill out those Wranglers, but she won't be distracted from her task. Annie just needs the summer to spruce up and sell her family's farm so she and her young son can start a new life in the big city. Simple, easy, perfect.

Sawyer has always regretted letting the first girl he loved slip away. He won't make the same mistake twice, but can he convince beautiful, wary Annie to trust her heart again when she's been given every reason not to? And as a single kiss turns to so much more, can Annie give up her idea of perfect for a forever that's blissfully real?
