Misterios masculinos (Spanish Edition) Sergio Sinay

Por qué los hombres hacen lo que hacen, dicen lo que dicen y piensan lo que piensan. Misterios Masculinos es el intento de un varón por responder con sinceridad, claridad y compromiso a las inquietudes de las mujeres. El autor toma una precisa lista de preguntas que las mujeres repiten incansablemente y las contesta desde el interior del alma masculina.

Este libro ayudará a las mujeres a entender a los hombres y convivir mejor con ellos.

Como en Esta noche no, querida y Ser padre es cosa de hombres, Sinay ilumina aspectos ignorados o poco explorados de los varones.
