## **Poisoned Honey: A Story of Mary Magdalene** Beatrice Gormley

This story begins with Mariamne, a vulnerable girl who knows little of the ways of the world. Much as she wants to be in control of her own destiny, she soon learns she has no such power. She must do as her father and brother see fit, and when tragedy strikes, Mari must marry a man she does not love and enter a household where she is not welcome, for the good of her family.

But she finds a small way to comfort herself when she meets an Egyptian wisewoman who instructs her in the ways of the occult arts. In the spirit world, Mari finds she has power. Here, she really is in control of her fate. But is she? Or is the magic controlling *her*?

This gripping portrait of one of the most misunderstood and controversial Biblical figures is the story of a young girl's path through manipulation and possession, madness and healing, to a man who will change the world forever.
