Excellence in Literature Handbook for Writers (Excellence in Literature: Reading and Writing Through the CI) Ian Johnston

In the honorable tradition of Strunk and White, the Excellence in Literature Handbook for Writers is a modern adaptation of a time-tested writer's handbook. Based upon two earlier volumes by college professor Ian Johnston, this new work includes instruction in the art of literary argumentation and essays as well as a general reference for grammar, style, and usage. It was adapted for high school use and beyond by Janice Campbell, author of the Excellence in Literature curriculum guides.
