Marketing Straight to the Heart: From New Product Development to Advertising -- How Smart Companies Use the Power of Emotion to Win Loyal Customers Barry Feig

An intriguing new look at the entire marketing process, in which readers learn how to build "emotion" into every phase of the marketing plan - from product development to positioning to packaging to advertising. What do we mean by "emotion?" A product with emotion says to the customer: "I know who you are. I know what you want." A product with emotion appeals to consumers' self-image, ego, and their desire to feel special.
