Botchan (Tuttle Classics)

Soseki Natsume

Botchan (Tuttle Classics) Soseki Natsume

A modern classic in Japan on par with *The Adventures of Huckleberry Finn* or *The Catcher in the Rye*, *Botchan* is a very popular Japanese novel and still widely read decades after its first publication.

Botchen, a timeless Japanese novel written by Japan's most beloved novelist, Soseki Natsume, is now available in a revised edition featuring a new foreword by Dennis Washburn, Professor of Asian and Middle Eastern Languages at Dartmouth College. Prof. Washburn's foreword places the importance of both the author and the book into perspective for the modern reader.

Botchan's story is a familiar one: the youngest son in a middle class Tokyo family, he is consistently in the shadow of his elder brother. With a practically nonexistent relationship with his family, Botchan finds himself cast adrift after both his parents die. Now on his own, Botchan drifts through college only to find himself thrust into a teaching job in the unfamiliar realm of a country school, far from Tokyo and the life he has known. Botchan's quest is to navigate society's hypocrisies while remaining true to what he believes is honest and good.
