The Gallery

Robin Anderson

The Gallery Robin Anderson

Revenge is a dish best served cold, they say, but some like it hot - body hot! In Robin Anderson's latest foray into sex crime, we cruise downriver from Chelsea Harbour to Canary Wharf and Wapping, where gay gallery owner Raymond Bartholomew stages a spectacular 'Revenge' themed art show set up via the Internet. Its sell-out success blesses Raymond and his camp coterie with new horizons, new lovers and new sources of wealth. But before you can say 'blackmail', the exhibitors' subjects start falling dead like flies - but in the most bizarre circumstances. Who's the latter-day 'canvas' Ripper? Could it be the colonic-inspired Anonymous Bosch or the heinous hand behind a group hara-kiri? Maybe even the 'stitched-up' Man Ray or the evil inspiration behind the Velasquez-inspired death camp? Once again, Robin Anderson's heady cocktail of gourmandising and extreme sex is calculated to titillate, amuse and enthrall. But be aware, dear readers, that some passages have loads to be desired, while others are positively inflammatory! Forewarned is forearmed!

From reader reviews:

Clementine Frazier:

Inside other case, little people like to read book The Gallery. You can choose the best book if you want reading a book. Providing we know about how is important a new book The Gallery. You can add information and of course you can around the world by just a book. Absolutely right, since from book you can recognize everything! From your country until eventually foreign or abroad you will end up known. About simple matter until wonderful thing it is possible to know that. In this era, we could open a book as well as searching by internet system. It is called e-book. You can use it when you feel fed up to go to the library. Let's read.

Randy Garrison:

As people who live in often the modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era and that is always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This The Gallery is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Laurie Riley:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want get more knowledge just go with education books but if you want truly feel happy read one using theme for entertaining such as comic or novel. The The Gallery is kind of guide which is giving the reader unstable experience.

David Yoon:

Don't be worry should you be afraid that this book may filled the space in your house, you will get it in e-book technique, more simple and reachable. This specific The Gallery can give you a lot of friends because by you investigating this one book you have point that they don't and make you actually more like an interesting person. This particular book can be one of a step for you to get success. This guide offer you information that probably your friend doesn't learn, by knowing more than various other make you to be great folks. So , why hesitate? We need to have The Gallery.
