Heart of the Storm Lindsay McKenna

Dana Thunder Eagle is a beautiful woman with a fierce heart and powerful gift. But after the murder of her husband and mother, she ran away from the Rosebud reservation, hoping to leave the past behind her forever. Now, two years later, the killer is still on the loose.

And only Dana has the mystical power to stop him.

After six months of daily torture at the hands of South American rebels, Chase knows his latest mission may be his hardest: to whip Dana into fighting shape in just five weeks. Even more challenging will be to ignore his cinnamon-eyed student's graceful beauty. United in a life-or-death mission, Chase and Dana must learn to lean on each other if there is any chance of stopping a madman who seeks to destroy a people's history...and future.
