*Into the Boardroom* identifies the six qualifications common to successful candidates for a director's seat, and explains how today's successful businessmen and women can get their first seat on a corporate board.

Until recently, America's boardrooms have remained closed to all but a handful of directors "in the club." Now, former Fortune 500 executives Dorothy Light and Katie Pushor reveal an insider's look at what goes on in the boardroom and how you can get there. CEOs and directors of some of America's most prestigious corporations share their stories of what really goes on behind closed doors, who gets selected to sit on a board and who doesn't, and why being a part of this influential group should be the goal of today's up and coming executives, professionals, and community leaders.
