No Graves As Yet: A Novel (World War I Book 1) Anne Perry

Through Anne Perry's magnificent Victorian novels, millions of readers have enjoyed the pleasures and intrigue of a bygone age. Now, with the debut of an extraordinary new series, this *New York Times* bestselling author sweeps us into the golden summer of 1914, a time of brief enchantment when English men and women basked in the security of wealth and power, even as the last weeks of their privileged world were swiftly passing. Theirs was a peace that led to war.

On a sunny afternoon in late June, Cambridge professor Joseph Reavley is summoned from a student cricket match to learn that his parents have died in an automobile crash. Joseph's brother, Matthew, as officer in the Intelligence Service, reveals that their father had been en route to London to turn over to him a mysterious secret document—allegedly with the power to disgrace England forever and destroy the civilized world. A paper so damning that Joseph and Matthew dared mention it only to their restless younger sister. Now it has vanished.

What has happened to this explosive document, if indeed it ever existed? How had it fallen into the hands of their father, a quiet countryman? Not even Matthew, with his Intelligence connections, can answer these questions. And Joseph is soon burdened with a second tragedy: the shocking murder of his most gifted student, beautiful Sebastian Allard, loved and admired by everyone. Or so it appeared.

Meanwhile, England's seamless peace is cracking—as the distance between the murder of an Austrian archduke by a Serbian anarchist and the death of a brilliant university student by a bullet to the head of grows shorter by the day.

Anne Perry is a sublime master of suspense. In *No Graves As Yet*, her latest haunting masterpiece, she reminds us that love and hate, cowardice and courage, good and evil are always a part of life, in our own time as well as on the eve of the greatest war the world has ever known.

From the Hardcover edition.
