Rainbows, Butterflies & One Last Hug: A Mother's Spiritual Journey While Losing Two Children to Cystic Fibrosis Peggy S. Imm-Anesi

A look at life and the afterlife, after most of my immediate family died, including two kids to Cystic Fibrosis. I also lost parents, two siblings, a husband, and many others in a very short time. They have come to me and others after their deaths. I saw signs from the day they passed. Coping with Multiple Sclerosis while caring for so many others, you get through it by faith and believing life really is just a test run for what's in store for us all. I think after reading this book, you will see that nothing is impossible if you put your mind to your goals. Even through so much tragedy, you can still go on by helping others throughout what you have learned.
