Backwoods

Natty Soltesz

Backwoods Natty Soltesz

Here is the steamy underside of rural America, the back roads, back doors, and back rooms of a town called Groom, Pennsylvania. Secrets are sacred in a place where one's business is everyone's business, and the erotic stories in Backwoods bare them all. Conceived as a gay-themed erotic take on Sherwood Anderson's Winesburg, Ohio, Backwoods is by turn poignant and pornographic, romantic and raunchy, tender and titillating. Literal climaxes are underpinned by an authentic observation of small-town lives, both repressed and unreserved.
