El simple arte de matar (Spanish Edition)

Raymond Chandler

El simple arte de matar (Spanish Edition) Raymond Chandler

En el ensayo «El simple arte de matar» Raymond Chandler critica a los escritores que convirtieron la literatura policíaca en un género ligero centrado en la resolución de un enigma y reivindica la novela detectivesca realista, la llamada literatura «hard-boiled», y la obra de Dashiell Hammett, quien logró que los asesinatos fueran más humanos. Esta edición, inédita en España y que presenta traducciones completamente nuevas, recoge el célebre ensayo seguido de los ocho relatos pulp previos a su primera novela que el propio Chandler escogió para que fueran reeditados en 1950 en un volumen homónimo.

«Chandler no escribía sobre crímenes, o sobre detectives, y siempre insistió en ello. Él escribía sobre la corrupción del espíritu humano, sirviéndose de Philip Marlowe como si de un ángel descreído se tratara.»
George V. Higgins
