*Tonight's sky tells me much of Your nature, Lord. When I reflect on the miracle of starlight, the pull of the moon, the orbit of the earth, and the mysteries of space, I feel small and insignificant. But then I consider how much order and brilliance it took to construct this night sky, and I know what I need to know to have hope: The same care and attention went into the creation of me.*

Connecting with the Creator after a busy day can fill the mind with rest and the heart with peace. These simple devotions for morning or evening will help readers to

- look to God at the start and finish of their day
- trust Him with moments of care and joy
- know God and be touched by His loving kindness

This little book of prayers is the perfect companion for amazing days and days needing amazing grace.
