Seasonal Fires: New and Selected Poems Ingrid De Kok

Ingrid de Kok's first book to be published in the United States is also the first volume to demonstrate the variety and continuity of de Kok's work over the last 25 years. In South Africa and internationally, readers have recognized and responded to de Kok's deeply developed sense of compassion. South Africa's most lucid and composed voice in contemporary poetry, she shares her ability to interweave the intensely personal world with the politically panoramic. Ingrid de Kok is one of the few poets to successfully broach the burden of tragedy revealed by the Truth and Reconciliation Commission hearings and the ceaseless ravaging of the AIDS pandemic. In doing so, "she captures, in the most delicate and individual terms, devastating phenomena" (Antjie Krog).
