BONUS: This edition contains an excerpt from Sophie Kinsella's *Shopaholic to the Stars*.

With her shopping excesses (somewhat) in check and her career as a TV financial guru thriving, Becky Bloomwood's biggest problem seems to be tearing her entrepreneur boyfriend, Luke, away from work for a romantic country weekend. That is, until Luke announces he's moving to New York for business—and he asks Becky to go with him! Before you can say “Prada sample sale,” Becky has landed in the Big Apple, home of Park Avenue penthouses and luxury department stores.

Surely it's only a matter of time until Becky becomes an American celebrity. She and Luke will be the toast of Gotham society. Nothing can stand in their way, especially with Becky's bills an ocean away in London. But then an unexpected disaster threatens her career prospects, her relationship with Luke, and her available credit line. Becky may have taken Manhattan—but will she have to return it?
