## **The Left Left Behind (Outspoken Authors Book 1)** Terry Bisson

Sardonic and merciless, this satire of the entire apocalyptic enterprise provides a humorous and timely interpretation of the bestselling Left Behind series—the adventures of those "left behind" to battle the Anti-Christ after all Born-Again Christians have ascended into heaven. From predatory preachers and goth lingerie to Indian casinos and “art cars” at Burning Man, this religious spoof deftly pairs the personal with the fictional. Featuring an extensive author interview and biography, this contemporary parody also includes the unique one-act drama, Special Relativity, which asks the question: When Paul Robeson, J. Edgar Hoover, and Albert Einstein are raised from the dead at an anti-Bush rally, which one wears the dress?
