The Unicorn Creed Elizabeth Ann Scarborough

In Song of Sorcery, Book 1 of Songs from the Seashell Archives, hearthwitch Maggie Brown met minstrel Colin Songsmith and a unicorn named Moonshine while saving both her sister and the kingdom. All in a quest's work for a girl who can magically do anything she can convince her power is housework. To reward Maggie, the king makes her a princess, and therefore a good catch for the local noble bachelors. Only problem is, she doesn't want to get married. She wants to be with Moonshine, whose Unicorn Creed, as he understands it, forbids him to consort with anyone except a chaste maiden. It's rather a touchy situation, and so Princess Maggie abandons her crown and with Moonshine, she and Colin set out to see if they can find a loophole in Moonshine's creed. Of course, in the process they have to try to save the land of Argonia again, this time from a were-man, a revolutionary nymph, a town's worth of zombies, an ice worm and an evil wizard.

"Gentle humor, deft plotting and a fine light-handed prose style, all combine to make THE UNICORN CREED a pure delight." --New York Daily News
