**Island (Watchers Book 5)** Peter Lerangis

**A teenage girl follows a mysterious boy to an island with a dark secret**

Since she was born, Rachel's whole life has been planned out for her, from prep school to the Ivy League to a job as a doctor or lawyer. Only her grandfather understands that, at thirteen, she would rather just be a kid. Rachel is suffering through a boring yacht party when she catches the eye of a busboy who, like her, doesn't seem to belong. He convinces her to do something impulsive: She jumps off the boat to take a dip in the ocean. It's the biggest mistake she'll ever make.

Rachel nearly drowns, and wakes up on the beach of a mysterious island called Onieron. It's almost like a theatrical summer camp, with boys and girls in costumes, having fun. Though it's nice at first, soon Rachel just wants to go home. But leaving the island is something the Onieronians will never allow.

This ebook features an illustrated biography of Peter Lerangis including rare photos and never-before-seen documents from the author's personal collection.

The author makes some research previous to write this book. That book very easy to read you can find the point easily after looking over this book.

#### **Millard Espinoza:**

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Island (Watchers Book 5) can make you experience more interested to read.
