Perspectives on Feminist Political Thought in European History: From the Middle Ages to the Present

Perspectives on Feminist Political Thought in European History: From the Middle Ages to the Present

Spanning six centuries of political thought in European history, this book puts the ideas of thinkers from Christine de Pizan to Simone de Beauvoir in the broader contexts of their time. This intriguing collection of essays shows that feminism is not a variant of modern radical discourse but a mode of analysing the issues of authority, power and virtue that have been at the heart of European political thought from the middle ages.
