## **Regis Um Menino Do Planeta Terra (Portuguese Edition)** Celso Innocente

Regis era apenas um menino comum, pobre, estudante, com muitos amigos, nove anos de idade e muito feliz, mas viu seu destino transformado para sempre, ao ser sequestrado na Terra por alienígenas humanos, idênticos a nós, terráqueos. Após permanecer durante oito anos em um planeta distante, considerado imortal, estes alienígenas, não conseguindo cativá-lo, concordaram em devolvê-lo a seu mundo mortal. Estando novamente em convívio com seus familiares, o menino percebera, que embora sua idade cronológica avançasse normalmente, seu corpo e aspecto físico, permanecia o mesmo de quando deixara a Terra e agora, ele teria que conquistar e conviver com novos amigos. O tempo passou e Regis já completava trinta e oito anos de idade; estudou, se formou e além de acompanhar com certo receio, o envelhecimento natural de seus pais, irmãos e amigos, tinha dificuldades para exercer a profissão que optara, devido seu aspecto criança. Nesta época, ele recebera uma inesperada visita, com intuito de lhe convidar a um rápido passeio, através do mundo das estrelas, pelo perigoso caminho do infinito espaço sideral. Regis se negara a aceitar tal convite, fazendo seus visitantes almejarem permanecer na Terra, alterando assim, mais uma, vez o destino de ambos, pois, por mais que queiram permanecer em segredo, órgãos governamentais de proteção ao nosso planeta, não aceitarão este convívio. Por outro lado, se ele sair da Terra, com tais visitantes, seu destino, já transformado, poderá ter novas consequências, ainda mais drásticas. O que será novamente do menino Regis? Uma criança condenada pela alteração dramática de seu destino, mas que deveria se considerar privilegiada, por desfrutar de uma infância saudável e eterna na Terra... Ou no cosmos.
