Wholecloth Linen Quilts: Patterns & Designs (Golden Threads) Cindy Needham

This gorgeous quilting book continues the legacy established by earlier books in the Golden Threads series with unique designs by professional quilters who know what quilters want. Nearly four dozen, full-size quilting patterns are arranged by category: centerpieces, fans, medallions, and borders and shown in various sizes. Cindy's patterns have been available as plastic stencils for years but never before showcased in book format. Use these patterns to transform vintage linens into charming quilts! The antique appeal of the fabrics is retained yet enhanced by today's favorite quilting techniques. Here is a happy marriage between yesterday's treasures and today's quilting trends.
